The Green Island Housing & Community Development Plan Committee invites you to attend a Public Workshop to discuss housing, economic, and community revitalization opportunities throughout the community.

Where: Heatly School, 171 Hudson Avenue

When: March 13th 7:00 PM

Purpose of the Workshop:

The purpose of the Public Workshop is to obtain input regarding local housing needs, issues regarding affordability and ownership opportunities, and overall community enhancements. Residents, business owners, and all other interested parties are welcome and strongly encouraged to attend this important community event.
