## **WHAT'S HAPPENING IN GREEN ISLAND**

November 16, 2016

Dear Friends,

My favorite holiday is just a week away and I can't wait! Looks like we will have around 25 for dinner this year. I am quickly realizing as I get older that I can't do what I used to be able to do. I have always cooked double the food we needed so everyone could take home "leftovers" for the next day. I am officially ending that practice this year, but I haven't told my family yet. Guess they will find out when they read this newsletter. My favorite side dish is still my Mom's potato dressing (stuffing). My husband's favorite is his Mom's sausage stuffing. That is his signature (and only) dish for the day. His big job is setting the table and he sets a table that would put any magazine display to shame. Thanksgiving is my favorite because it allows me to reflect on how lucky I am. I have a wonderful husband and family, I live in a great community, I have two jobs that I love, my health is good (even though my old body can't do what it used to do), I have the best village employees that any Mayor would be proud to lead and I get to celebrate Thanksgiving with the people I love the most! Life is good. If we could just get rid of winter and snow – it would be perfect! I hope you all enjoy a wonderful holiday with your family.

Moving from Thanksgiving to Christmas, our "Festival of Trees" will be held on Saturday, December 3<sup>rd</sup> at the River Park. We have 36 trees and we will start decorating at 2:00 p.m. We will be serving hot chocolate and cookies throughout the afternoon. Santa will arrive at 5:00 p.m. to help us light the trees, sing Christmas carols and visit with all the good little girls and boys. Please join us for this wonderful holiday event that will help you to "get into the spirit" for Christmas.

Our "Giving Tree" will be up in the Village Office on Monday, November 28<sup>th</sup>. Please stop by and pick up a tag to help make a child's Christmas a merry one. The generosity of our residents never ceases to amaze me. You come through EVERY year and I know you will do it again this year. THANK YOU!!!

Thank you to all who patiently endured our scheduled power outage that was held on Sunday, October 30<sup>th</sup> to make some very necessary repairs/upgrades to our electrical system. It took many months to orchestrate the many outside entities involved in this endeavor, along with our GIPA and DPW guys. We notified residents and businesses in every way possible, but some said they still didn't know. PLEASE register for our alert notifications. Info on how to do so is in the other newsletter. It is quick and painless and keeps you on top of important events and emergencies. We do our best to do our part, but you must all do yours too. Thank you to all who registered a few years ago when we started this and thank you to those of you who will do so now. Remember, we are all in this TOGETHER.

There are lots of community events listed in the other newsletter. PLEASE make sure you check it out and I hope to see you all around town as we support these organizations who work so hard to make our community great.

That's it for now. Got my grocery list ready for Thanksgiving, but I think it might take a few trips to get it all. The "Old Gray Mayor" just ain't what she used to be (only you other old folks will get that joke).

*Happy Thanksgiving*

Sincerely,

Ellen M. McNulty-Ryan
